

# Dr. Pero Mičić

There are many futurists and trend-experts and innovators. But there is only one „Future-Manager“, Dr. Pero Mičić. He makes the future comprehensible and useful. As director of the Leader's Foresight Institute and CEO of FutureManagementGroup AG he has been consulting with the leaders of world leading companies for 26 years. He helps them to seize opportunities from trends and technologies of the future. And he enables his clients to lead their teams with compelling vision and future-robust strategy. Dr. Mičić is on the advisory boards of a series of organizations in domains of science and business. He has published several award-winning books and has delivered more than 1200 keynotes in 30 countries worldwide. What will come, stay and go? What will you live on tomorrow? Where are you leading to? Find answers with Dr. Mičić as your inspiring, compelling and entertaining keynote speaker.

*„Have a Bright Future!“*

## Themes

### See and understand the future!

#### > What will come, stay and go?

- How powerful trends and amazing technologies will change our lives

#### > What will you live on tomorrow?

- How you can turn digitalization, robotics, artificial intelligence and the like into opportunities

### Lead into the future!

#### > Where are you leading to?

- How you should use a motivating and meaningful vision as your most powerful leadership tool

#### > Is your business future-robust?

- How you should prepare yourself and your business for an uncertain future

### Act future-intelligently!

#### > Awaken the FutureManager within!

- Escape the short-term trap! Shape your future today!

#### > Humans and the future

- What we can learn from history, philosophy and psychology for shaping our future today

You may combine the topics. Dr. Pero Mičić will tailor his speech exactly to your audience.

In addition, Pero Mičić is an experienced facilitator and moderator for your event.

„You have the great gift, to explain complex things in a simple and comprehensive way.“ **Ulrich Wickert, ARD-Television**

„Dr. Mičić is a very charismatic speaker and knows how to captivate his audience.“ **Diehl**

„Never before have we been so inspired by a speech.“ **VDR**

„A virtuoso speaker, he was the intellectual highlight of the convention.“ **Cursor**

He has touched a nerve and reached the souls of our guests. **ew**

„The feedback from our audience was phenomenal.“ **ITM**

## Inspiration

### > People, books and events which inspire me:

„Dr. Mičić is fascinated by entrepreneurship, future scenarios, leadership, psychology, methodology, ancient and contemporary philosophy and, in general, excellence in life and work. Since he was a student he focused on compiling knowledge and experience from all those domains into his toolset. His mission is to inspire and equip leaders for foresight and strategic vision.“
